

Salford Health Matters CIC is an exciting NHS social enterprise GP practice founded by local doctors and nurses to deliver GP services in new and innovative ways.

We need outstanding GPs to join our outstanding GP practice!

Salford Health Matters CIC is a GP practice that provides high quality primary care for a **population of 15,000 across Salford**, Greater Manchester, under a PMS contract. This is an exciting opportunity to join a dynamic team of **10 GPs**, and **6 Advanced Nurse Practitioners** working across our **3 practices** in Salford.

We are looking for **6 sessions per week**, but we place a greater emphasis on the skills and the enthusiasm you bring to our multi-disciplinary teams.

We can offer you a **competitive salary**, **indemnity cover** and **study leave**, with a chance to work in an organisation that:

- achieved an **outstanding** CQC Inspection – one of the first in the country!
- uses the '**Doctor First**' telephone access system which provides rapid access for patients, improved working environment for staff and added benefits of reductions in A&E visits;
- uses a shared **Vision** IT system across 3 modern purpose built facilities;
- provides a wide range of **enhanced services** and encourages and supports GPs to develop **special interests** including minor ops, leadership skills and becoming a GP trainer;
- achieved **high QOF attainment**, excellent patient satisfaction and paperlight accreditation, and Investors in People;
- delivers a range of specialist services, such as for **homeless people**, **social prescribing** and an **award winning community paediatric project**; and
- provides a range of teaching and training opportunities, including **Medical Students**, Social Workers and Nurses.

As general practice faces new challenges and an uncertain future, we believe we are building an exciting alternative to the traditional model with our multidisciplinary approach, innovative access system and social enterprise model. Join us to shape the future of primary care!

To apply, please send your CV by email to claregibbons@nhs.net with a short covering letter. To arrange an informal discussion about the post, please contact Dr Clare Gibbons by email.
